4. Security

4.1 Security Measures by Supplier

4.1.1 Taking into account the state of the art, the costs of implementation and the nature, scope, context and purposes of Processing as well as the risk of varying likelihood and severity for the rights and freedoms of natural persons, Supplier shall in relation to the Customer Personal Data implement appropriate technical and organisational measures to ensure a level of security appropriate to that risk, including, as appropriate, the measures referred to in Article 32(1) of the GDPR.

5. Sub-processing

5.1 Each Customer Group Member authorises Supplier to appoint (and permit each Sub-processor appointed in accordance with this section 5 to appoint) Sub-processors in accordance with this section 5 and any restrictions in the Principal Agreement.

- 5.4 With respect to each Sub-processor, Supplier shall:
- 5.4.1 ensure that the arrangement between on the one hand (a) Supplier, or (b) the relevant intermediate Sub-processor; and on the other hand the Sub-processor, is governed by a written contract including terms which offer at least the same level of protection for Customer Personal Data as those set out in this Addendum and meet the requirements of article 28(3) of the GDPR;

6. Data Subject Rights

- 6.1 Taking into account the nature of the Processing, Supplier shall assist each Customer Group Member by implementing appropriate technical and organisational measures, insofar as this is possible, for the fulfilment of the Customer Group Members' obligations, as reasonably understood by Customer, to respond to requests to exercise Data Subject rights under the Data Protection Laws.
- 6.2 Supplier shall:
- 6.2.1 promptly notify Customer if any Contracted Processor receives a request from a Data Subject under any Data Protection Law in respect of Customer Personal Data; and
- 6.2.2 ensure that the Contracted Processor does not respond to that request except on the documented instructions of Customer or the relevant Customer Affiliate or as required by Applicable Laws to which the Contracted Processor is subject, in which case Supplier shall to the extent permitted by Applicable Laws inform Customer of that legal requirement before the Contracted Processor responds to the request.

8. Data Protection Impact Assessment and Prior Consultation

Supplier shall provide reasonable assistance to each Customer Group Member with any data protection impact assessments, and prior consultations with Supervising Authorities or other competent data privacy authorities, which Customer reasonably considers to be required of any Customer Group Member by article 35 or 36 of the GDPR or equivalent provisions of any other Data Protection Law, in each case solely in relation to Processing of Customer Personal Data by, and taking into account the nature of the Processing and information available to, the Contracted Processors.

9. Deletion or return of Customer Personal Data

Following expiration or termination of the Principal Agreement and cessation of any Services involving the Processing of Customer Personal Data, Supplier will delete or return to Customer all Personal Data in Supplier's possession as provided in the Principal Agreement, except to the extent Supplier is required by applicable law to retain some or all of the Personal Data (in which case Supplier will archive the data and implement reasonable measures to prevent the Personal Data from any further processing). The terms of this Addendum will continue to apply to such Personal Data.

10. Audit Reports

10.1 Subject to section 10.2, Supplier shall make available to each Customer Group Member on request all information necessary to demonstrate compliance with this Addendum, and shall allow for and contribute to audits, including inspections, by any Customer Group Member or an auditor mandated by any Customer Group Member in relation to the Processing of the Customer Personal Data by the Contracted Processors.

10.2 Information and audit rights of the Customer Group Members only arise under section 10.1 to the extent that the Principal Agreement does not otherwise give them information and audit rights meeting the relevant requirements of Data Protection Law (including, where applicable, article 28(3)(h) of the GDPR).

11. Restricted Transfers

11.1 Supplier does not perform International transfers of Customer Personal Data to countries outside of the EEA, as part of the provision of Services to the Customer.

12 Severance

12.1 Should any provision of this Addendum be invalid or unenforceable, then the remainder of this Addendum shall remain valid and in force. The invalid or unenforceable provision shall be either (i) amended as necessary to ensure its validity and enforceability, while preserving the parties' intentions as closely as possible or, if this is not possible, (ii) construed in a manner as if the invalid or unenforceable part had never been contained therein.
